

DIAMOND ELECTRIC TOWEL WARMER COLLECTION...

Diamond Towel Warmer: Treat yourself or guests to the warmth and luxury of toasty warm towels while reducing moisture, mildew and musty smells. The new 20" multirail Diamond Towel Warmer fits beautifully in small spaces. Homeowners will find this new towel warmer is quick and easy to install and very affordable. Ideal for installation in bathrooms, baby's room, home spas, and kitchens, the new budget Diamond Collection fits beautifully into any decor.

Manufactured of high quality stainless steel, the Diamond is durable, corrosion resistant and features an illuminated On/Off power switch. It comes with ETL approval guaranteeing the highest standard of safety and reliability. The heating element uses less energy than a light bulb and is so safe it can be left on 24 hours a day, seven days a week.

The Diamond Collection has a bright stainless finish and is available in two wall-mounted units: an 8 bar unit for small bathrooms and 12 bar unit for rooms with more drying requirements. The new Diamond Towel Warmer is backed by a Myson 3 year warranty. For more information, www.MysonInc.com or 800-698-9690.
