The MYSON Limited Warranty  
MYSON warrants the original purchaser that products manufactured and/or supplied by them will be free from defects in materials and workmanship under normal conditions of use, when properly installed and maintained in accordance with MYSON's instructions for a period of 36 months (12 months for Whispa E50). (Heat exchangers have a 10 year warranty.) During this warranty period, MYSON will, at its option, repair or replace any product, or part thereof, which shall be returned to the MYSON factory and determined by MYSON to be defective.

The MYSON Parts Warranty:  
MYSON warrants replacement parts, when properly installed and maintained for a period of 120 days from the date of purchase. There are no warranties, expressed or implied, that extend beyond this warranty description. In no event will MYSON be liable for labor or consequential damages.
